

**REMARKS****Claim Amendments**

Claims 1, 3-12, 14-20, 22-23, 25-27 and 31-32 are pending. Claims 2, 13, 21, 24 and 28-30 have been previously cancelled. Claims 9-11, 14-19, 31 and 32 are being cancelled herein. Claims 1, 3-8, 12, 20, 22, 23 and 25-27 are allowed. The cancellation of claims is being made solely to advance prosecution of this application to allowance and does not constitute an acquiescence, abandonment or disclaimer with respect to a subject matter originally claimed. Applicants reserve the right to pursue any excluded subject matter by way of one or more further application(s).

**Claim Rejections – 35 USC §112**

Whilst not agreeing with the non-enablement rejections raised, purely in order to facilitate prosecution the claims in question have been deleted. The non-enablement rejections have therefore been rendered moot.

The remaining pending claims are those indicated to be allowable in the Action.

**Information Disclosure Statement**

An Information Disclosure Statement (IDS) was filed on April 7, 2005. The Examiner crossed out references AM, AO, AP, presumably because the translation check box indicated "no". However, submission of these references was in compliance with the requirements under 37 C.F.R. §1.98(a)(3) because these references were cited in a Search Report and a copy of the Search Report was provided with the IDS that was filed on April 7, 2005. Reconsideration and entry of these references into the record are respectfully requested.

**CONCLUSION**

In view of the above amendments and remarks, it is believed that all claims are in condition for allowance, and it is respectfully requested that the application be passed to issue. If

the Examiner feels that a telephone conference would expedite prosecution of this case, the Examiner is invited to call the undersigned.

Respectfully submitted,

HAMILTON, BROOK, SMITH & REYNOLDS, P.C.
